Dear Sir:

In response to the Notice of Drawing Inconsistency dated July 8, 2004, please consider the following remarks:

REMARKS:

The Notice of Drawing Inconsistency states that Figure 3 is listed in the specification but not contained in the Drawings. The Applicant respectfully disagrees.

Figure 3 was contained in the original application filed November 10, 2000. In response to the Final Office Action dated September 24, 2003, the Applicant submitted sheets of drawings that included changes to Figures 1a, 1b, 2a, 2c, 2d, 4c, 4d, 4e, 5, 6a, 6c, and 8. No replacement sheet for Figure 3 was submitted because no objection to Figure 3 was raised by the Office.
